

Safeway
Stair

4' Diameter Contemporary Model with optional gallery. (Minwax natural Stain with 3 coats of polyurethane.)

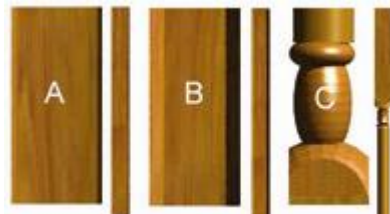

The Safeway Stair Advantage

- The center post is a solid one-piece oak column (not segmented) and is constructed of the finest oak specimens available.
- Most orders are completed within 20 business days and are shipped by common carrier.
- The order form is only one page and can be filled out in minutes.
- You can calculate price and order directly from our Web site!
- Safeway Stair offers an unconditional lifetime guarantee for workmanship and materials for all of our spirals.
- Safeway Stair ships our spirals globally. Shipping weight averages 350 lbs (160 kg).
- Simple installation instructions are included with all of our spirals and are available online at: www.safew.com/installation.htm

Styles

Safeway Stair offers three staircase styles:

Contemporary (A),
Modern (B) and
Traditional (C)

Diameters 4', 4½', 5', and 5½'

Treads: 1" solid Red Oak

Balusters: 1¼" solid Red Oak, Optional Guardrail is available, Landing Platform is 1" solid Red Oak. Handrail is solid Red Oak

Prices are based on a standard 9 foot height (274 cm) spiral staircase. For guardrail heights beyond 9 feet, the cost is pro-rated (The Safeway Stair Web site has a convenient price cost calculator)

Safeway Stair manufactures solid Red Oak spiral staircases. Each staircase is custom-built to your specific needs and shipped to your job site.

Since 1976 we have been a family owned business.

Safeway Stair offers an unconditional lifetime guarantee on all of our spirals and most spirals are shipped within 20 days of order placement.

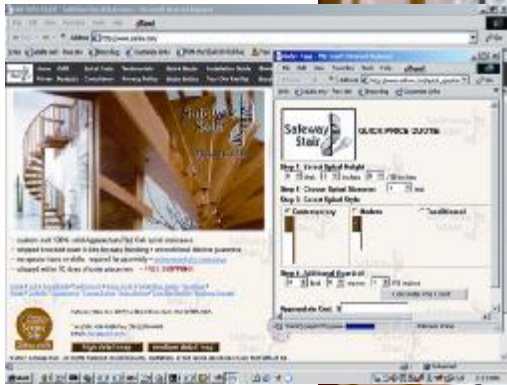

We appreciate your interest in our spiral staircases. If you have any additional questions, please contact us!

-“I wanted to write to let you know how pleased I am with the oak spiral stair. Just as you promised, it was very easy to install... The design is superb and the workmanship equally impressive.”

F. C., Boston MA

Safeway Stair was founded in 1976 by Ray Gregoire, an Engineer, who built his first spiral in a two-car Garage. Initially his hobby was limited to satisfying the needs of local contractors. Today, Safeway Stair is selling staircases Internationally and continues to produce the finest oak spiral staircases available.
